together." file:///D:/Documents%20and%20Settings/harry/...0%20LeGuin%20-%20Tales%20From%20Earthsea.txt (45 of 111) [2/5/2004 12:33:31 AM]. thriving. The spring wind blew strong, seaward, off Roke Knoll, blowing the water of the fountain high end, his father's house.. Grove because the leaves of the trees spoke your name to me before you ever came here. Irian, they. Dragonfly said softly, "From Iria." "You have-" he said-"you have to go. Back." As he said "Back," his left hand struck down on the stone, until they thought him tamed. Then they sent him away to live at the stables of the great. When he was on Orrimy, Medra had learned to read the common writing of the Archipelago. Later, Highdrake of Pendor had taught him some of the runes of power. That was known lore. What Ember had learned alone in the Immanent Grove was not known to any but those with whom she shared her knowledge. She lived all summer under the eaves of the Grove, having no more than a box to keep the mice and wood rats from her small store of food, a shelter of branches, and a cook fire near a stream that came out of the woods to join the little river running down to the bay, Medra camped nearby. He did not know what Ember wanted of him; he hoped she meant to teach him, to begin to answer his questions about the Grove. But she said nothing, and he was shy and cautious, fearing to intrude on her solitude, which daunted him as did the strangeness of the Grove itself. The second day he was there, she told him to come with her and led him very far into the wood. They walked for hours in silence. In the summer midday the woods were silent. No bird sang. The leaves did not stir. The aisles of the trees were endlessly different and all the same. He did not know when they turned back, but he knew they had walked farther than the shores of Roke.. dozen paces from her when she began to sing. Among the unseen trees her voice was weak.. She knocked.. "Ard. My teacher." Heleth looked up, his face unreadable, its expression possibly sly. "You didn't think; he could not remember. "Stay with me," he said, and did not know who he spoke to. He was face in the black lane, hardly able to see where the other was. Dragonfly put out her groping hand. They were both shy. When Medra took her hand his hand shook, and Ember, whose name was Elehal, Medra stood silent. His face felt hot. He looked down. "I thought," he said, and stopped.. narrow, ice-coloured eyes.. The rain had ceased, though mist still hid the peak and shreds of cloud drifted through the high. him, though he had not called. He saw them. They stood among the tall grasses, among the flame-. from other witches and from sorcerers, not from wizards. What we teach here is in a language not. Oh, it's time, and past time. We must deliver the King. We must find the great lode. It is here; there is no doubt of that: 'The womb of the Mother lies under Samory.'"
