". . . then how come you couldn't walk where your eyes were healthy and leave the tumors there," she remembered.."I'm not sad," Tom said, "because though I have this face here in this world, I know there's another me-in fact, lots of other Tom Vanadiums-who don't have this face at all. Somewhere I'm doing just fine, thank you.".The white padded eye patches rebuffed her, and she realized how profoundly the boy's double enucleation would affect how easily she could read his moods and know his mind. Here was a littler loss until now shadowed by the greater destruction. Denied the evidence of his eyes, she would need to be better at noting and interpreting nuances of his body language-also changed by blindness-and his voice, for there would be no soul revealed by hand-painted, plastic implants.."More than remorse," the magician said. "Shame. I come from good people. I wasn't raised to be a cheat. Sometimes, trying to figure how I went wrong, I think it wasn't the need for money that ruined me. At least not that alone, not even that primarily. It was pride in my skill with the cards, frustrated pride because I wasn't getting enough nightclub work

to show off as much as I wanted to." As Celestina settled on the sofa with the phone in her lap, hesitating to dial until she worked up a bit more courage, Angel said to Tom, "So what happened to your face?" Snap, snap, snap! Three more quarters ricocheted off the left side of his face-temple, cheek, jaw. Aftermath was not important. Only movement mattered. Just forget the busload of nuns smashed on the tracks, and stay with the onrushing train. Keep moving, looking forward, always forward. "In the early hours of January seventh," Nolly continued, "Miss White died in childbirth, as you figured." AT ST. MARY'S HOSPITAL, where Wally had brought Angel into this world three years ago, he was now fighting for his life, for a chance to see the girl grow and to be the father she needed. He'd been taken to surgery already when Celestina and Angel arrived a few minutes behind the ambulance. Tom Vanadium, on the other hand, was certain that Cain, having prepared for the possibility that something would go wrong during his assault on Celestina, wouldn't be easy to locate or to apprehend. In Vanadium's view, the maniac either had a bolt-hole waiting in the city or was already out of the SFPD's jurisdiction. At the sight of her photograph, she felt herself flush. She hoped none of the pedestrians passing between her and the gallery would look from the photo to her face and recognize her. What had she been. This wasn't a new sensation. He had experienced it before. In the night just passed, when he awakened from an unremembered dream and saw the bright quarter dancing across Vanadium's knuckles. Solitude, however, was his preference. He found the sympathy of friends unbearable, a constant reminder that Perri was gone. "Each life," Barty Lampion said, "is like our oak tree in the backyard but lots bigger. One trunk to start with, and then all the branches, millions of branches, and every branch is the same life going in a new direction." Neddy occupied the entire spacious fourth floor of the house. The third and second floors were each divided into two apartments, the ground floor into four studio units, all of which he rented out. The beast would find them one day, but she hadn't spoken of that possibility in perhaps two and a half years. If he hadn't been such a rational, stable, no-nonsense person all of his life, Junior might have thought he was losing his mind. Eleven days had passed since Wally stopped three bullets. He still had a little residual weakness in his arms, grew tired more easily than before he'd wound up on the wrong end of a pistol, complained of stiffness in his muscles, and used a cane to keep his full weight off his wounded leg. The rest of the medical care he required, as well as physical rehabilitation, could be had in Bright Beach as well as in San Francisco. By March, he should be back to normal, assuming that the definition of normal included massive scars and an internal hollow space where once his spleen had been. The cemetery had been mown for the holiday. The scent of fresh cut grass grew more intense the longer Agnes met her son's radiant green-blue gaze, until the fragrance became exquisitely sweet. Routinely she dreamed of Joey. Not nightmares. No blood, no reliving of the horror. In her dreams, she was on a picnic with Joey or at a carnival with him. Walking a beach. Watching a movie. A warmth pervaded these scenes, an aura of companionship, love. Except eventually she always glanced away from Joey, and when she looked again, he was gone, and she knew that he was gone forever. The enormous canopy of the oak didn't shelter the lawn beneath it. The leaves spooned the rain from the air, measuring it by the ounce, releasing it in thick drizzles instead of drop by drop. He was uncharacteristically restive. His stoic nature, his long learned Jesuit philosophy regarding the acceptance of events as they unfold, and the acquired patience of a homicide detective were insufficient to prevent frustration from taking root in him. In the more than two months since Enoch Cain vanished, following the murder of Reverend White, no trace of the killer had been found. Week by week, the slender sapling of frustration had grown into a tree and then into a forest, until Tom began every morning by looking out through the tightly woven branches of impatience. From a distance and through a scattering of trees, Junior wasn't able to discern much about the other funeral, but he was pretty sure many if not most of that crowd were Negroes. He surmised, therefore, that the person being buried was a Negro, too. This was tedious work and might not bear fruit. He needed to begin somewhere, however, and the telephone directory was the most logical starting point. By Thursday, September 23, due to Junior's accident and surgery, the draft board which had reinstated his I - A status after he'd lost the exemption that had come with his former job as a rehabilitation therapist agreed to schedule a new physical examination in December. "You can't take much of anything by mouth for a few hours yet," said the nurse. "Nausea is too great a risk. Retching might start you hemorrhaging again." Although Dr. Lipscomb spoke almost as softly as the long-winded pianist, and though the physician's narrow face was homely and devoid of any trace of violent temperament, Neddy Gnathic flinched from him and retreated across the threshold, into the hallway. "Because Cain had called him to get a recommendation of a P. I. here in San Francisco," said Kathleen. "To find out what happened to Seraphim White's baby." If Cain had been attracted to one woman by her looks, surely he would be attracted to the other. And perhaps the sisters shared a quality other than beauty that drew Cain with even greater power. Innocence, perhaps, or goodness: both foods for a demon. He couldn't remember on what principle he'd considered firing Magusson. In spite of his faults, the attorney was highly competent. White as a Viking winter, these magnificent choppers, and as straight as the kernel rows in the corn on Odin's high table. Superb occlusal surfaces. Exquisite incisor ledges. Bicuspid of textbook formation nestled in perfect alignment between molars and canines. Abruptly, Junior Cain turned away from the tower, from the body of his lost love, dropped to his knees, and vomited. Vomited more explosively than he had ever done in the depths of the worst sickness of his life. Bitter, thick, grossly out of proportion to the simple lunch that he had eaten, up came a dreadfully reeking vomitus. He was untroubled by nausea, but his abdominal muscles contracted painfully, so tightly that he thought he would be cinched in two, and up came more, and still more, spasm after spasm, until he spewed a thin gruel green with bile, which surely had to be the last of it, but was not, for here was more bile, so acidic that his gums burned from contact with it--Oh God, please no--still more. His entire body heaving. Choking as he aspirated a piece of something vile. He squeezed his watering eyes shut against the sight of the flood, but he could not block out the stench. "Yes," she admitted, her face still close to his, "I'm afraid. But Dr. Chan is a fine surgeon, and this is a very fine hospital." The boy's difference was defined as much by what he didn't do as by what he did. For one thing, he didn't observe the Terrible Twos, the period of toddler rebellion that usually frayed the nerves of the most patient parents. No tantrums for the Pie Lady's son, no bossiness, no crankiness. The three adults exclaimed at the disappearance of the quarter, applauded again, and looked knowingly at Tom's hands, which had closed at the sudden conclusion of all the flourishes. Pity warmed the physician's ascetic face. "You loved your wife very much, didn't you?" A door slammed, and after the briefest of internal debates about whether to rise or act, Junior left Ichabod straddling the threshold. He must get to Celestina before she reached a telephone, and then he could come back and finish moving the body. Clenching his right hand around the quarter, waving left hand over right, he intoned, "Jingle-jangle, mingle-jingle." Opening his right hand, he revealed that the coin had vanished. Still seeking some missing fact, some insight that would help him understand the maniac's Bartholomew obsession, Tom asked more questions until Celestina suddenly realized and revealed what might be the information that he sought:

Cain's perverse insistence on playing the reverend's taped rough draft of "This Momentous Day" throughout his long assault on her sister..Angel returned to the table for apple juice and to announce, "They got a cookie-jar Jesus!".The boy never mentioned what he'd done, and his mother ceased worrying about him falling out of bed..Agnes remained mystified by this talk, but a week before, in the rain-swept cemetery, she had learned there was substance to it..Barty let go of the girl's hand, and although he remained dry, the storm at once found her where she'd been hiding in the silver-black folds of its curtains.."I can't sleep half the time," Deed said, twisting the baseball cap in his hands. "I've lost weight, and I'm so nervous, jumpy.".The floor of the spacious bathroom featured beige marble tiles with diamond-shaped inlays of black granite. The countertop and the shower stall were fabricated from matching marble, and the same marble was employed in the wainscoting.."I haven't disturbed him," said the visitor, taking his cue from the doctor and keeping his voice low..They came to her, picked up the luggage that she had put down, and Edom said, "I'll drive.".Police identified Junior as the prime suspect, and newspapers featured his photograph in most stories. They referred to him as "handsome," "dashing," "a man with movie-star good looks." He was said to be well known in San Francisco's avant-garde arts community. He got a thrill when he discovered that Sklent was quoted as calling him "a charismatic figure, a deep thinker, a man -with exquisite artistic taste so clever he could get away with murder as easily as anyone else might get away with double-parking. " "It's people like him," Sklent continued, "who confirm the view of the world that informs my painting.".Although he was seventy-six, Tom still worked for Pie Lady Services. They had no set retirement age for staff, and Father Tom expected to die at his work. "And if it's a pie-caravan day, just leave my old carcass where I drop until you make all the deliveries. I won't be responsible for anyone missing a promised pie.".Sobbing desperately, he dropped the telephone handset on the secretary, seized the dishtowel. He wrapped the cloth tightly around the shattered stump, applying pressure to diminish the bleeding..On Friday evening, he had arranged for the drawing of the aces, but he had not stacked the subsequent twelve cards to provide for the selection of four identical knaves at three-card intervals. He'd sat in stunned.The diminutive mortician spoke a few comforting words instead of commenting on the dental history of the deceased, and when he put a consoling hand on Jacob's shoulder, Jacob cringed from his touch..Gore made him sick. He refused to attend movies that dwelt on the consequences of violence, and he had even less of a stomach for blood in real life..Similarities between Naomi and her mom- ended with appearances. Sheena was loud, crass, self-absorbed, and had the vocabulary of a brothel owner specializing in service to sailors with Tourette's syndrome..In the chilly darkness, his breath plumed visibly, frosted by moonlight. The rapidity and raggedness of his radiant exhalations would have marked him as a guilty man if witnesses had been present.
