They were not anxious to get back to the task that had occupied them for the last two weeks: that of bringing the

Podkayne to a horizontal position without wrecking her. The ship had been rigged with stabilizing cables soon after landing, and provision had been made in the plans to lay the ship on its side in the event of a really big windstorm. But the plans had envisioned a work force of twenty, working all day with a maze of pulleys and gears. It was slow work and could not be rushed. Nobody's going to incur Divine Wrath just for making sure he's got enough..I know it's painful to be told that something in which one has invested intense emotion is not only bad art but bad for you, not only bad for you but ridiculous. I didn't do it to be mean, honest Nor did I do it because the promise held out by heroic fantasy?the promise of escape into a wonderful Other world?is one I find temperamentally unappealing. On the contrary. It's because I understand the intensity of the demand so well (having spent my twenties reading Eddison and Tolkien; I even adapted The Hobbit for the stage) that I also understand the absolute impossibility of ever fulfilling that demand. The current popularity of heroic fantasy scares me; I believe it to be a symptom of political and cultural reaction due to economic depression. So does Robin Scow Wilson (who electrified a Modern Language Association seminar by calling Dune a fascist book), and Michael Moorcock (see his jacket copy for Norman Spinrad's The Iron Dream, a novel which vehemently denounces the genre in the same terms Wilson does), and the writers of Bored of the Rings, the Lampoon parody, from which came "Arrowroot, son of Arrowshirt". "Mary," McKillian said, "it occurs to me that I'd better start looking for airborne spores. If there are some, it could mean that the airlock on the Podkayne is vulnerable. Even thirty meters off the ground." A faint orange glow outlined the top of a craggy boulder, and they hurried toward it over the crumbly ledge. When they climbed the rock, they saw that the light came from behind another wall of stone further away, and they scrambled toward it, pebbles and bits of ice rolling under their hands. Behind the wall they saw that the light was even stronger above another ridge, and they did their best to climb it without falling who-knows-how-many hundreds of feet to the foot of the mountain. At last they pulled themselves onto the ledge and leaned against the side, panting. Far ahead of them, orange flames flickered brightly and there was light on each face. For all the cold wind their faces were still shiny with the sweat of the effort..Forever..way. . . .Detweiler's flush of health was wearing off that afternoon. Critical judgments are so complex (and take place in such a complicated context), the vocabulary of praise and blame available in English is so vague, so fluid, and so constantly shifting, and the physical space allowed is so small that critics welcome any way of expressing judgments that will be both precise and compact. If vivid be added thereunto, fine?what else is good style? Hence critics, whenever possible, express their judgments in figurative language. Wit is a form of condensation (see Freud if you think this is my arbitrary fiat) just as parody is a form of criticism (see Dwight McDonald's Modern Library collection thereof)..high peaks, where the great serpents dwell. "My dear sir, it is out of consideration for you that I have exposed you only to our lighter forms of entertainment I presume you are referring to something in the nature of a Music Hall, or Vaudeville. I assure you that, since the advent of Universal Education, even the popular taste has become too refined to tolerate the foolishness of sentimental songs and lurid melodrama. Also, please do not use again the expression you have just uttered. I mean the one beginning with the letter D. Our twentieth-century society has grown unaccustomed to language of such

Instead of going pale, he only looked interested, "I was told by the man in 409 you might be able to tell me something about Andrew Detweiler." .His first endorsement proved to have been beginner's lock. Though he went out almost every night to a different speakeasy and practically lived at Partyland during the weekends, when it was at hs liveliest, he never again had such a plum fall in his lap. He didn't get within sniffing distance of bis heart's desire. Most people he met were temps, and the few Permanent License holders inclined to be friendly to him invariably turned out, like the MacKinnons, to have already disposed of their allotted endorsements. Or so they said. As the weeks went by and anxiety mounted, he began to be of the cynical but widely held opinion that many people simply removed the stickers from their licenses so it would seem they'd been used. According to Jason MacKinnon, a completely selfless endorsement, like his from Ed, was a rare phenomenon. Quid pro quos were the gen-
