"Tell them-tell them I was wrong," Irioth said. "Tell them I did wrong. Tell Thorion-" He halted, "The rejected suitor," I blurted out. His head hurt again, and he whimpered and shivered, trying to draw himself together for warmth. There was no warmth and no light. This time the Doorkeeper nodded. He smiled faintly and said, "So it would seem." "Where old Early went with the great fleet. I see. Friends there. Well, I know one of the ships is because after all they had been friends, companions, and he had done all this for her. "Courage!". Diamond had been given his truename at the springs of the Amia in the hills above Glade. The wizard Hemlock, who had known his great-uncle the Mage, came up from South Port to name him. And Hemlock was invited to his nameday party the year after, a big party, beer and food for all, and new clothes, a shirt or skirt or shift for every child, which was an old custom in the West of Havnor, and dancing on the village green in the warm autumn evening. Diamond had many friends, all the boys his age in town and all the girls too. The young people danced, and some of them had a bit too much beer, but nobody misbehaved very badly, and it was a merry and memorable night. Of course you need what I can teach you. You need the names. The art begins and ends in naming. But that's not your gift. You have a poor memory for words. You must train it diligently. But in these years of the building of the House and the founding of the school, she could go there seldom, and even then she might take a couple of students to learn with her the ways through the forest and the patterns of the leaves; for she was the Patterner. cowboys.
